

Cori Yarbrough of Mobile's Baker High School Wins First Place

U.S. Rep. Jo Bonner (R-AL) announced Cori Yarbrough, of Mobile's Baker High School, is the 2010 winner of the First Congressional District High School Art Competition.

Cori Yarbrough's artwork, "Lanterns," will represent Alabama's First Congressional District among the winning entries from America's other congressional districts. Her artwork will be displayed in the U.S. Capitol for one year.

Her art teacher is Anne Fredella.

The First Congressional District Art Competition is part of "*An Artistic Discovery*," an annual nationwide congressional art contest that has spotlighted the talents of thousands of young artists going back three decades.

"It is an honor to be part of such a worthy competition that inspires the creativity of our young people while showcasing the very best of their efforts in our nation's capitol," Congressman Bonner said. "I also applaud the Mobile Museum of Art for their continued support of this exciting competition."

The second and third place winners of the First Congressional District Art Competition will be displayed in Congressman Bonner's Alabama offices for one year.

A reception honoring all of this year's winners and their families will be held on Sunday, April 18, 2010, at 3:30 p.m. at the Mobile Museum of Art. Representative Bonner will attend to congratulate all of the entrants and to present awards to the winners.
